

Activity : Chinese Digital Content Development Association activities

Cooperative Association : Chinese Digital Content Development Association

Time : 3/2 PM02 : 10 - 3 : 30

Number of Guests : 5 Number of Juveniles : 109

This event was founded by the scholarship project of Chinese Digital Content Development Association. It plays digital learning materials to lecture the students. They hold an exam in the morning of a specific day of the month, and give the answer in the day afternoon, then award the top three students of the class. We hope that the learning capacity of the young inmates can be increased in this way.

Activity : Law and regulations guidance

Cooperative Association : Legal Aid Foundation

Time : 3/9 PM 2 : 30 - 3 : 30

Number of Guests : 1 Number of Juveniles : 110

The first half of the speech, lecturer used daily life example to help the young inmates understand about the definition and the boundary of sex attack and sex harrasement. The rest of the event focused on domestic violation. This lecturer also discussed not only about what is domestic violation, also all the types of protection orders. At the end, there was a trivia game for everyone to review what they had learned.

Activity : Learning and growing camp

Cooperative Association : Taiwan After-Care Association, Taipei Chapter

Time : 3/16 PM 2 : 30 - 3 : 30

Number of Guests : 3 Number of Juveniles : 105

This event was held by Taiwan After-care association. The speech was given by the former inmate, Mr. Chen. He talked about how he committed crime, went to jail, strayed and repented. He also introduced how the culture of tattooing and drugging influenced his own life. Because of the similarity between Mr. Chen and the young inmates, his story resonated with them.
