<p>We invited Ms. Ding Shuhui from Dharma Drum Mountain Humanities and Social Science Foundation to give a talk titled "If there is a tomorrow, will tomorrow be better?" By listening to the song and appreciating the various emotions brought out by the words and images in the song, we have the opportunity to have an objective discussion and further connect with ourselves, to reflect and be aware of our emotions and physical reactions, and to start the opportunity to find solutions for ourselves and be willing to implement them.</p>
