

Activity：Restorative Justice Card Design Competition	
Cooperative Association：Taipei Juvenile Detention house	
Time：8/26	
Number of Juveniles：All class	
<p>In order to enhance young people’s understanding and recognition of the concept of restorative justice, illustration cards will be designed and created to allow them to express the core spirit of “dialogue and restoration” through visual language. The works are expected to convey the meanings of positive communication, understanding, and care, while also embodying both artistic quality and practical value. Outstanding creations will be used as materials for the facility’s environmental decoration and publicly commended to encourage a culture of creativity.</p>
