

Activity : Basketball Arcade Machine Contest	
Cooperative Association : Taipei Juvenile defender house	
Time : 11/27 AM09:00-10:30	
Number of Juveniles : 92	
<p>Summary:</p> <p>The aim is to promote the residents' physical and mental well-being and positive development in the stressful environment through healthy and engaging sports activities.</p> <p>During the event, the juveniles displayed focus and skill at the basketball arcade machine, which not only allowed them to properly release their emotions but also fostered healthy competition and a spirit of teamwork.</p> <p>The Detention House hopes that these challenging recreational and cultural activities will cultivate the juveniles' stress resilience, concentration, and sense of honor.</p> <p>Prizes were awarded at the end of the competition to recognize the outstanding performers, allowing them to experience a sense of accomplishment and the warmth of encouragement during their rehabilitation, thereby building self-confidence and preparing them for a successful return to society.</p>
